

In the second reading today, St Paul reminds the Corinthians. "There are different gifts, but the same Spirit: there are different ministries but the same Lord." How am I using my gifts "for the common good"?

**JUNE 8, 2014**

Dear Parishioners,

1) This Sunday at the 11:00 AM Mass we recognize and honor our St. Joseph's high school graduates. They have completed their initial education and now move on to college, service, or perhaps employment. We are all proud of your accomplishments and pray that God will lead you and guard you on life's journey.

2) This Sunday is Pentecost, the end of the Easter season. Monday we return to Ordinary Time in the liturgical cycle. Next weekend we will begin our "summer style" Liturgy: 2 verses of the opening and closing hymns, recite the Glory to God, recite the Preface, short homily, etc. I like to have a lighter approach to Mass during the summer. Gives everyone a little break.

3) The Catholic Services Appeal Campaign continues doing well. At this writing (Tuesday) St. Francis Xavier's has reached our goal of \$10,115.00. St. Catherine's has received \$34,335.00 from 87 households toward our CSA target and Cathedral Square assessment of \$35,457.00. And St. Joseph's has received \$38,835.00 from 155 households toward our target of \$39,827.00. THANK YOU to all who have pledged so far. Let's see if we can hear from the rest of parishioners and complete this campaign.

4) I contacted the roofing company, and they said they were awaiting some back ordered materials. They thought they could start re-roofing St. Catherine's church building this past week. Hooray!

5) The painting of the Hall (church basement) at St. Francis Xavier's continued this past week. When that is finished, and we get rid of the folding walls, we can put down the new carpet and we will have a new and improved Hall. Lots of volunteer work going into this project. THANK YOU.

6) The State inspected the playground equipment at St. Catherine's Campus of Divine Providence Academy and found a number of items to be out of code. The Men's Club will work with the school staff to see what upgrades we can make and how much this will all cost.

7) St. Joseph's Research Committee for the new Activities Building include Bill Gavin, Don Rasch, Dave Vlug, Amy Pearce, and Joe Kluting. I will be meeting with them later this month to create a job description with them and set a timeline for their work. We will be interested in hearing suggestions as to what to include in a new structure and suggestions as to its placement. I would like to see some focus groups of stakeholders (school, religious education, youth ministry, those who work in the kitchen for various gatherings, etc.) to see what their ideas are. This will take awhile, but we are starting after a hiatus of several years.

I love you,  
Fr. Fred Brucker

CENTERING PRAYER – Chapel at St. Catherine Church, following Thursday's Mass.

### Centering Prayer – Contemplative Prayer

The goal of practicing Centering Prayer regularly is not so much "union with God," understood as wanting God to the exclusion of all else, but rather, gradually coming to realize that really, there is nothing or no one that is *not* God. To see this is to behold the Kingdom here and now. So the goal of the contemplative life, then, is to make "beautiful Christians": those with the ability and inner flexibility to flow into life in any and all circumstances knowing that the fountainhead is **love**. The true home of this silent prayer, Centering Prayer, is the Church, the steward in this world. The beauty and power of the Christianity that emerges from Silence and the Word promotes healing, transforming's, and creates the fullness of love.

MARS (Missions Around Ravenna in Service)- Update on MARS. This Mission has been very active this past year, and we are appealing to you again this year for your help in filling our food pantry with non-perishable food items and/or monetary donations (which are used to purchase the fresh foods). We have provided envelopes in church pews for this purpose, and a tub to place the food items in back of church. If you have any questions concerning MARS please contact any of these St. Catherine's representatives: Emma Mikos, Karen Goodno, or Mary Arends. THANK YOU for your generosity in the past year, and we hope for another year of many donations to help those in need in the Ravenna Community. #847, "Song of the Body of Christ", in our "gather" hymnal reads: "we are called to feed the hungry at our door". Thank you.

## FAMILY PERSPECTIVE by Bud Ozar

Like the disciples in today's gospel, there are times we shut the doors of our hearts to people or events. It's how we create emotional distance. Jesus still comes to us to offer peace in our families and to send us with the Holy Spirit into the world.
