From Deacon Ed's Corner

Want to get an idea when the end times are coming. Google it! Yup, just google it and you will find about 4 billion results and it only took .43 seconds to find them. Isn't the internet amazing? Jesus did not know when the end times were coming but there sure seems to be a lot of people, religious groups, cults and the such who think they have it one up on God. Here's some examples of the end times unfolding before our eyes:
A prominent evangelical pastor, believes, the spread of ISIS is a sign of the end times. From Costa Rica, a mysterious 'End of Times' cloud phenomenon. And this: A chart that places the events that occur in the book of Revelation in an easy-to-use fold-out chart. Last, and my favorite one: Leader of Christian group adjusts doomsday prediction: Chris McCann of the Bible Fellowship admits it was 'surprising' the world did not end on March 7th but says he will "keep trying to get it right".

In those days after that tribulation the sun will be darkened, and the moon will not give its light, and the stars will fall from the sky, and the powers in the heavens will be shaken. "And then they will see the Son of Man coming in the clouds with great power and glory. Jesus' words are not spoken to frighten his disciples, nor should they frighten us. Rather, they are offered to prepare us for the changes we will experience during our lifetimes and at the end times. The church, following the Scriptures, indeed teaches that Jesus will return in glory and this world as we know it will come to a screeching halt! It would be a huge mistake to occupy ourselves with speculation over the future and become completely absorbed into trying to predict the end of the world. In doing this we move through life with fear and anxiety. Viewing each new act of violence, natural disaster or pandemic as a sure sign of the beginning of the end.

We need to take comfort in what Jesus is telling us. Our hope is found in the lasting nature of his words and God's everlasting love for us. Let us not become complacent or worrisome. Let us continue our journey through life with awareness and a sense of peace, knowing that God only wants what is good for us. Let's rely on the Holy Spirit to always keep us prepared with expectation of the end times. Whether they are the world's end times or our own personal end time. Let's not worry about the next day. We hear in Matthew's Gospel "Do not worry about tomorrow; tomorrow will take care of itself. Sufficient for a day is its own evil." Worry does not add one minute to our lives. We must live day by day, hour by hour with a sure and certain hope that we will be ready to welcome Jesus when he returns. And when he comes for those who are faithful, faithful in living their lives trusting in Christ, trusting his love and mercy, it will be the beginning of a new life spent in the presence of God forever.

Rosary Intention for May:

Let us pray for a bountiful growing season for our fields and orchards and the safety of the workers that tend to them. We continue to pray for an end to the pandemic, for those who are ill, for the dead, their families and friends, health care workers, and all those that have put themselves in harms way to continue providing us with our essential needs.

Thank you for all the prayers and best wishes on my 90th Birthday! I am so thankful and appreciate it all! ***Lucille Finkler***

Gospel: John 20:19–23 (appearance to the disciples)
